INSTRUCTIONS FOR USE

Mix 25 g (approximately two level 25 ml measures) with 200 ml of water or skimmed milk until a smooth even consistency is achieved. Consume 1-3 servings daily.

Guidance notice: This product is a food supplement and should be used in conjunction with food as part of a healthy and varied diet, not as a substitute for such. Recommended consumption is up to three 25 g servings per day. Do not exceed the stated recommended daily dose. This product is not intended for use by persons under the age of 16. Keep out of reach of young children. The scoop included with this product measures by volume not by weight, for precise measurements please use measuring scales. This product is sold by weight, not by number of servings. This product has been manufactured in a facility which is routinely tested for banned substances. See website for details.

Storage instructions: Store in a cool dry place. Keep lid on after opening. Best consume entire product within 3 months of opening.
Best before end: See shoulder, side or base.
