

PRODUCT INFORMATION

BCAA Intra Fusion® delivers a ratio of 2:1:1 (L-Leucine, L-Isoleucine and L-Valine) based on scientific research*. It is both fat and sugar free. It also includes vitamin B6, which contributes to the reduction of tiredness and fatigue and contributes to normal protein and glycogen metabolism.

*J Int Soc Sports Nutr. 2008; 5(Supp 1): P21

INSTRUCTIONS FOR USE

Mix 20 g (approximately one heaped 25 ml measure) with 400 ml of water until powder has fully dissolved. Consume during your workout.

Guidance Notice: This product is a food supplement and should be used in conjunction with food as part of a healthy and varied diet, not as a substitute for such. Recommended consumption is one 20 g serving per day. Do not exceed the stated recommended daily dose. The scoop included with this product measures by volume not by weight, for precise measurements please use measuring scales. This product is sold by weight, not by number of servings. This product has been manufactured in a facility which is routinely tested for banned substances. See website for details.

Storage Instructions: Store in a cool dry place away from direct sunlight. Always seal container after each use. Keep out of reach of young children.

Best before end: See side or base.
