

PRODUCT INFORMATION

Introducing **VEGAN PROTEIN™**, a plant-based high protein powder low in fat and sugars. The perfect protein supplement for those wanting to avoid dairy and other animal derived proteins.

Made with Nutralys® pea protein

Nutralys® is made from non-GMO garden peas (*pisum sativum*) via a sustainable and environmentally friendly process. The pea crop is grown without the use of nitrogen fertilisers, harvested and then dried. Pea protein is extracted from the dried pea flour using water and without the use of harmful chemical solvents. Pea protein has an enviable amino acid profile.

VEGAN PROTEIN™ is sweetened with stevia, a collection of plants that have been used for hundreds of years for sweetening food and drinks.

AVAILABLE FLAVOURS

Rich Chocolate, Smooth Fruit and Strawberry.

TYPICAL AMINO ACID PROFILE OF PEA PROTEIN (g per 100 g of protein)

ESSENTIAL AMINO ACIDS		CONDITIONALLY ESSENTIAL AMINO ACIDS		NONESSENTIAL AMINO ACIDS	
Leucine	8.2	Arginine	8.7	Alanine	4.3

*Reference intake of an average adult (8,400 kJ/2,000 kcal)

ADDITIONAL INFO

Typical Values	per 25 g serving
Digestive Enzymes (DigeZyme®)	40 mg
Bacillus Coagulans (LactoSpore™)	50,000,000 spores

INSTRUCTIONS FOR USE

Mix 25 g (approximately two level 25 ml measures) with 300 ml water. Consume 2-3 servings daily.

Guidance notice: This product is a food supplement and should be used in conjunction with food as part of a healthy and varied diet, not as a substitute for such. Recommended consumption is up to three servings per day. Do not exceed the stated recommended daily dose. This product is not intended for use by persons under the age of 16. Keep out of reach of young children. Consume product immediately once mixed. The scoop included with the product measures by volume not by weight, for precise measurements please use measuring scales. Scoop may settle to the bottom of container during transit. This product is sold by weight, not by number of servings.

INGREDIENTS

Pea Protein (~93%), Cocoa Powder (*rich chocolate variety only*), Colour (Betanin (*strawberry and smooth fruit varieties only*)), Colour (Beta Carotene (*smooth fruit variety only*)), Flavouring, Thickeners (Carboxy-methyl Cellulose), Sweetener (Steviol Glycosides), Enzyme Complex (DigeZyme®) (Amylase, Protease, Cellulase, Lactase, Lipase), *Bacillus Coagulans* (LactoSpore™).

ALLERGY ADVICE

May contain a gluten containing cereal, egg, milk and soya.

Food supplement powdered drink mix with sweetener.

Storage instructions:

Store in a cool dry place away from direct sunlight. To preserve the product once opened; always tightly screw the lid back on and avoid exposing the remaining product to humid air.

Best before end:

See shoulder, side or base.
